PROFESSIONAL BACKGROUND

Before joining CLH in 2022 as a staff accountant, Wyatt Stacy completed an internship and gained some professional experience at another business. Wyatt now serves as a senior accountant in the firm. As one who digs deep into topics to discover how something functions, Wyatt found accounting to be a good fit because every number tells a story and every transaction should add up. In his role, Wyatt provides clients with a wide range of accounting services, including tax preparation, tax planning, bookkeeping services, and payroll support.

As he grows in knowledge and technical skill, Wyatt is learning to approach challenges with a critical and analytical mindset, finding creative solutions to complex problems, as well as collaborating with colleagues, sharing knowledge and insights to achieve common goals. Wyatt holds a B.S. in Accounting from Valparaiso University and is a member of the Indiana CPA Society.
